PHILOSOPHY

The Vocationist Sisters at Fr. Justin's Learning Center are dedicated to the important task of caring for and helping young children grow and develop into happy, loving, well-adjusted human beings.

They are fully aware of the importance and impact of early childhood education...

"We are what we learned between the ages of 2 and 5"

"The early years are the most critical years of development."

The Sisters know that the motherly and fatherly love play an essential part in the healthy development of young lives; therefore, they strive to provide that love to all children committed to their care
